Docket# 20200226- SU Environmental Utilities Application Sewer Project; RE Docket#
20200226- SU Environmental Utilities Application Sewer Project

Dear Commissioners,

Knight Island Utilities supports the implementation of central sewer on the barrier islands. We believe it is paramount for Charlotte County to protect its most crucial natural resources which are the waterways and beaches that directly impact the health of the county's citizens and are a direct contributor to the tourism dollars we have all grown accustomed to generating. Getting ahead of the pollution issue is a win-win scenario for all of us. Waiting for a state mandated program or law will only delay the inevitable and will most certainly cost more in the future than in today's dollars.

Respectfully Submitted,

Knight Island Utilities Board of Directors

Knight Island Utilities, a not-for-profit, 501(c)(12)
